

OPUS LUBRICANTS PRODUCT DATA

SCREENWASH CONCENTRATE (20:1)

Description

OPUS Screenwash Concentrate is an advanced formulation designed to perform effectively in winter and summer. The double strength isopropanol concentration provides superior protection against freezing.

Special ingredients help to prevent the windscreen and jets from re-freezing at the start of a journey in frosty weather. Powerful detergents clear grime and dried on insects with a minimum of foaming to maintain driver's vision.

OPUS Screenwash Concentrate has been formulated to condition and lubricate wiper blades to improve performance. Added water softeners prevent hard water deposits from blocking washer jets and enhance the detergent action.

Directions for Use

<u>Driving Conditions</u>	<u>Parts Windscreen Wash</u>	<u>Parts Water</u>
Summer	1	20
Mild Winter	1	5
Severe winter	1	1

Severe winter, this screen wash may be used undiluted and will prevent freezing to approx. -20°C.

Please note:-

- This product is flammable.
- Keep out of reach of children.
- Keep container tightly closed.
- If swallowed seek medical advice immediately.
